Hi Jenny! How is everything with you? I hope you are great:) Im working toward a really huge promotion in my business with Mary Kay Cosmetics (insert goal) and have been challenged to do a test panel and or get the opinion of 50 new women in the next 30 days. Would it be ok if I messaged a few women on your FB page to offer them a complimentary facial to help me with my goal? Thanks either way!

Here's what you send to her friends you choose when you get her permission.

Hi Amanda! You probably don't know me, but Brittany suggested I message you! Im a consultant with Mary Kay and Im really excited. (Share goal - either personal or unit) In order to reach our goal, I need to facial 50 new faces in the next 30 days. Could I borrow your face for an hour? You'll recieve a gift certificate for helping and I promise to give it back better than I found it:) Thanks!
