

Grand Achiever

CAR TRACKING

As a Consultant striving to earn your Grand Achiever Car,
it's essential to track your progress.
Here's a breakdown of the key qualification requirements:

1. Earn \$26,000 in combined Personal/Team Production.
2. You can contribute up to \$6,000 in personal production.
3. Have 18 active personal team members contributing a minimum of \$20,000 to the team production.
4. Maintain a minimum of \$6,000 wholesale team production each month during the qualifying period.
5. Ensure you have at least 8 active personal team members at all times during the qualifying period.
